County Office Building In Township Is Certainty

The construction of a county building in Washington Township to house branches of various county-wide departments loomed as a certainty this week through action taken by the Board of Supervisors.

The supervisors have instructed Lloyd F. Groogan, executive secretary to the board, to call a meeting of various county department heads to consider a possible site for the centralization of all county offices in this area.

Although no site has been determined, the supervisors have indicated that it is their contention that the branch county office should be centrally located in the township.

Department heads who will be summoned to the meeting and who will probably have branch offices in the proposed new building here represent the following county agencies: sheriff's office, welfare library, health center, district attorney's office and justices of the peace of Niles and Centerville.

The board asked Supervisor Chester Stanley to contact Judge Allen G. Norris, Centerville, and Judge E. A. Quaresma, Niles, and confer on the possibility of holding their courts in one place on different days.

Harry Bartell, chairman of the board, has stated that probably an acre or two of land would be necessary to provide space for the building to house all the offices and allow adequate parking facilities.

NILES CHAMBER SUGGESTS COUNTY BUILDING SITE

Location of a building on Fremont Avenue between Centerville, Niles and Irvington to house county offices was recommended this week by the Niles Chamber of Commerce.

The recommendation follows announcement by the county board of supervisors that such a building is needed in Washington Township and that a site of two or three acres will be needed.

Secretary Vernon Ellsworth was instructed to write the supervisors advising of the recommendation. President John Brahmst will appoint a committee to work with the board on site selection if the supervisors wish assistance.

The Niles Chamber recommended the location on Fremont as being the most easily available from the Centerville - Irvington - Niles area.

The Chamber voted to endorse a bill introduced in the House of Representatives by Congressman John J. Allen to allocate shipbuilding to the west coast.

A telegram to the Merchant Marine and Fisheries Commission recommending a "do pass" and a copy to Congressman Allen are to be sent this week. According to the letter received here from R. J. Brennan of the Labor League for Political Education, the legislation has been endorsed by 16 city councils in the bay area and the boards of supervisors in San Francisco, Alameda and Contra Costa Counties.

FEASIBILITY OF TOWNSHIP-WIDE C. OF C. TO BE AIRED

A meeting to which representatives of all the Chambers of Commerce of Washington Township will be invited for a discussion of the establishment of a township-wide Chamber of Commerce has been called for next month by the Centerville Chamber.

The dinner-meeting will be held at the California Inn in Centerville beginning at 7 p.m. on Wednesday, September 14, and Secretary Ralph Goodwin has been instructed to personally present an invitation to each of the Chambers.

Dr. Merle Buehler, Centerville physician who introduced the suggestion, stated that both Pleasanton and Livermore receive financial aid from county funds to help defray the cost of maintaining a full or part-time secretary. He expressed belief that an active organization, representing the entire township, would be eligible for similar financial assistance from the county in paying the salary of a full or part-time secretary.

Representatives of the Warm Springs, Irvington, Newark, Niles, Decoto and Alvarado Chambers of Commerce will be invited to attend the meeting to express their views on the desirability of such an organization.

Reservation are to be made with Secretary Goodwin, Centerville, at the earliest convenience.

HOUSEWIFE KILLED IN AUTO ACCIDENT

A Los Angeles housewife, Mrs. Alpha Brooks, 34, was dead Wednesday, and her husband, V. Pat Brooks, 41, was not expected to live after a head-on collision Monday evening at Warm Springs.

According to officers the Brooks' light coupe pulled into the center lane to pass a truck driven by Lesley Summers, 29, of San Jose. Just as Brooks was passing, Summers also pulled into the center lane, and the coupe was forced head-on into another truck driven by Eli Stevens, 18, of Concord.

Officers reported Stevens and Summer escaped injury, but a passenger in the Stevens truck, Minnie Stevens, 50, was treated for fracture of the right wrist.

Mrs. Brooks was dead upon arrival at the Fairmont Hospital and now rests in the Sorensen Brothers Mortuary in Hayward. She was identified there by her mother, Mrs. Lydia Paige, who flew from Los Angeles Tuesday.

Brooks is in critical condition at the Fairmont Hospital. He sustanied head and internal injuries. He and his wife were taken to the Fairmont Hospital by the Dallas Paul ambulance.

TOYON MEMBERS LUNCH AT DANA GARDENS

The Dana gardens in Decoto provided a very lovely setting for the picnic-luncheon of Toyon Branch last Monday.

The luncheon, attended by an unusually large crowd of members, launched activities for the new fall season.

DECOTO RUMMAGE SALE

Orient Chapter, Eastern Star, will hold another rummage sale today (Friday), this one to be in the old Boy Scout hut in Decoto.

The sale starts at 9 and ends at 5. The public is invited to view—and to buy—the articles on display.

NILES WOMAN IS TOWNSHIP'S FIRST POLIO FATALITY

Death claimed Mrs. Leona Marie Turner, 39, of Niles, this week as the township's first polio fatality.

Mrs. Turner, the mother of four children, was stricken by the disease Friday, according to family members, and was taken to the Highland Hospital in Oakland. She was kept in an iron lung there from Saturday until Monday night when she passed away.

Her death was the second polio fatality in Alameda County this year.

The well-known Niles mother was a member of a pioneer Niles family. She was the wife of John W. Turner; and the mother of John R., who is a San Jose State College student, David Allen, a student at Washington Union High School, Paul Wilson, and two-year-old Suzanne.

Besides the immediate family, Mrs. Turner is survived by her mother, Mrs. Marie Cornac, Niles; and three sisters, Mrs. Julia Brown of Newark, Miss Emile Cornac of San Jose, and Mrs. Jean Boggini, San Jose.

A native of Mission San Jose, she had lived in Alameda County all her life.

A requiem mass was said by Fr. Hennessy at 9 a.m. Wednesday at Corpus Christi Church in Niles. Burial was at St. Joseph's Cemetery, Mission San Jose, under the direction of the Berge Mortuary Company.

At the request of county health authorities, only a small group of the immediate family attended the services.

MOSQUITO HORDE LAID TO IMROPER IRRIGATION DRAINS

Inadequate drainage for irrigation water was blamed for the heavy infestation of mosquitoes in the Irvington-Warm Springs area in a report made this week by Harold F. Gray, engineer and manager of the Alameda County Mosquito Abatement District.

The monthly report by Engineer Gray followed on the heels of action instigated last week by the Irvington Chamber of Commerce asking for greater assistance in the control of mosquitoes in that vicinity.

MORE EQUIPMENT HERE

"We are aware that mosquito prevalence is unduly high in parts of Washington Township," Gray stated in his report. "In June it became apparent that more man power and equipment would be needed in Washington Township to control the irrigated pasture mosquito than was available. It was therefore decided to re-arrange personnel and equipment to meet the changed conditions. Unfortunately four trucks broke down almost simultaneously and needed extensive repairs; some essential work was delayed as a result; inspections fell behind schedule and it was not until the first of July

REPORT DEER TAKE SCANTY; DISEASED ANIMALS PREVALENT

Contrary to pre-season estimates by the state Fish and Game commission that deer hunting this year would be good, local hunters were returning this week disgruntled and empty-handed for the most part.

Although the current deer population was officially estimated at between 650,000 and 1,250,000, shots were few and far between for local hunters during the initial week of the season.

Fred Rogers, Centerville, Alameda County game warden, said deer this year are highly diseased. He estimated that as high as 60 per cent of the county's deer died last winter, and warns hunters to examine the livers for discolored spots before bringing deer carcasses home.

Among the lucky hunters validating their tags during the opening days were the following:

Norman Lucca, Newark, who bagged a forked horn the first morning near the Masonic Home.

Dale Carruthers and John Bunting, both of Mission Hereford Ranch, who took out two bucks.

Leonard Smith, Decoto, a forked horn near Sunol at 7 p.m. on Sunday.

B. W. Dundare, Hayward, a small buck at 11 a.m., taken near Mission San Jose.

Frank C. Mellow, Niles, took a forked horn buck near Morrison Canyon at 8 a.m. Sunday.

Joe C. Wallman, Centerville, who also got his deer near Morrision Canyon at 8 a.m.

George W. Woodward, Hayward, who took a small deer near Livermore.

Jimmie Semas, Mission San Jose, a forked horn near Mission Peak at 7 a.m. Sunday.

Dan Elizarry, Decoto, a three-pointer on both sides taken near Decoto Sunday at 6 a.m.

Joaquin Martin, Centerville, a forked horn at 7 o'clock Sunday morning at Pine Ridge near Livermore.

Alden Pakios of San Leandro, who bagged a forked horn buck near Niles at 10 a.m. August 10.

Joe Costa, Niles, who got a 2-pointer near Niles Canyon yesterday morning.

HOSPITAL FUND DECISION PENDING

In a letter from Dr. Wilton L. Halverson, head of the State Department of Public Health, L. S. Whitaker, Niles, chairman of the Washington Township Hospital committee, was advised this week that the Advisory Hospital Council has tabled all action on hospital fund applications until next month.

The next meeting of the council has been set for September 15, at which time the application for funds to be used in the construction of a hospital in this district will be considered.

A meeting of the group was held in San Francisco last Thursday but action was deferred because of the applications and estimates were not in proper order.

COMPLETES 82,368 MILE TRIP IN TOWNSHIP

* * * * * * * * *

BILL TYSON RETURNS TO INSIDE WORK

William F. (Bill) Tyson is back at work as a clerk in the Niles post office after motoring a distance of 82,368 miles all within a radius of three miles from Niles.

While on his sojourn, which took eight years to complete, Tyson visited 717 families of this area every day, six days a week, and "wore out" five automobiles.

Tyson didn't win any cash prizes for establishing a marathon record—his only compensation was the monthly salary and mileage paid by the United States government to its rural mail carriers.

The much traveled gentleman went to work at the local post office in 1939 as a substitute clerk. In 1941 he began traveling the 33-mile daily route as a rural mail carrier.

"That's not so far to travel in one day but throw in 717 stops in that distance and it becomes pretty monotonous," Tyson said this week. "It's the continual stopping and starting that wears out a car, making me about the best friend that an auto repairman ever had."

Unlike most rural mail carriers throughout the nation, Bill has never owned a pair of tire chains.

"The only time that I ever encountered any extent of mud and got stuck was when workmen had piled loose dirt on the road while constructing some sewer lines along the route," Bill recalled.

Now, after eight years "on the road," Bill is back in the post office with a definite dislike toward the automobile as a mode of traveling.

The new mail carrier for this area is Mrs. Nora B. White, Canyon Heights, who is serving in a temporary capacity until the U. S. Civil Service Commission in Washington, D. C., calls for examinations and appoints a new mail carrier.

County Willing to Match State Funds for Water Survey Here

Meeting with state and county officials in Oakland Wednesday, the members of the Board of the Alameda County Water District were assured that the acuteness of the water situation in this district is well known and that financial assistance in meeting the emergency was virtually assured.

The board members, President W. D. Patterson, M. J. Bernardo, Louis Amaral, Jack Prouty, Dr. E. M. Grimmer, and Engineer H. F. Harrold met with the Alameda County Board of Supervisors, State Water Resources Board members and Senator Arthur Breed Jr.

The topic of discussion was the securing of money in order to make a survey of southern Alameda County with an eye to locating possible dam sites and a solution to the ever-increasing salt infiltration problem.

FAVORABLE RESPONSE

The directors of the water district said yesterday that they met with favorable response from not only the county supervisors, but the State Water Resources Board and Senator Breed.

The county supervisors and Senator Breed recognized the situation here as most desperate and the supervisors assured the district officers that they will supply the necessary money to match any funds that might be supplied by the state.

They did, however, express a desire to broaden the scope of the survey, which is being planned by the state, to include Hayward and Eden Township and any other area that might be affected as is Washington Township.

The members of the water district agreed to the expansion of the survey and the county supervisors directed County Surveyor Wallace Boggs to go to Sacramento to find out what the state engineers would require and report back to them immediately.

Keynote of the meeting was that the county board of supervisors had expressed its willingness to do anything within its power to help the water situation in southern Alameda County.

NO LOCAL EXPENSE

It was mainly through the efforts of President W. D. Patterson that the local board investigated the possibility of the state matching county funds in making the survey and thus brought about the meeting Wednesday.

The local water district board members have pointed out that if the state will allocate a sum of money from its emergency fund for the survey and the county then matches the amount, as they have pledged, the work can be done with no direct expense to the district.

Patterson said yesterday that the Army Corps of Engineers has asked for a meeting with the members of the local water district to be held the evening of September 20 at Washington Union High School.

The Engineering Corps is vitally interested in flood control and related factors in this area, according to Patterson. He added that notices would be sent to interested persons asking them to attend the meeting.

FEMMES FOMENT FREAKISH FOAM

R. J. Wright secretary of the Irvington Sanitary District, is commencing to believe that Irvington housewives are an extravagant lot.

The new sewage disposal plant, which the district put into operation this summer, was designed and constructed to cope with any and all problems of proper sanitation disposal—but, already a situation has arisen which has the members of the board of the district in a lather—literally and figuratively.

The Irvington housewives, accustomed to the hardness of the well water supplied this area by the Alameda County Water District, had formed the habit of using generous portions of soap powder to get sufficient suds in laundrying.

Last month soft water from Hetch-Hetchy reservoir was opened into the Irvington water system and since that time the sewage disposal plant has been flooded with a torrent of soap suds as the soap-saturated water flows into the plant.

"The suds keep billowing out all over the plant," Wright complained this week.

SOFTBALL BOARD RULING REVERSED; TOURNAMENT OPENS

The post-season squabble over a protested game in the Washington Township Softball Association was settled last Thursday evening with the Board reversing its previous decision and the tourney play-off is now underway.

Last week the Board, allowing a protest by Central Chevrolets in a game played July 1 against Kleine's, ruled that the entire game must be replayed. When Kleine's appealed the decision and refused to take the field for the protested game and subsequent play-off for first place, the Board declared the Chevrolet club league champions.

PRESIDENT RESIGNS

Last Thursday evening another meeting of the Board was held at which time it was voted unanimously, except for President Louis Amaral, that there had not been sufficient evidence to merit allowing the original protest, and reversing its decision, the Board members declared Kleine's league champions.

President Amaral immediately submitted his resignation and E. Dixon Bristow, Niles, a member of the Board, was elected to fill the vacancy as president. The appointment of Lawrence Rogers, Mission San Jose, was approved by the Board.

The new decision placed Central Chevrolet in a tie for second place in the league standings with Viliela's and a play-off was held Monday with Vilela's club winning 7 to 5.

PLAY RESUMED

The post-season tourney opened Tuesday night and will continue through next week, with Wedgewood and Kraftile, two top teams in the B league, pitted against Pacific States Steel and Native Sons, cellar teams of the A league. The A teams are fighting to keep their positions in that league and the two top-place B teams, hoping to climb into the A league.

In the opening encounters the Steelers nosed out the Stovemen in a hard-fought 8 to 7 battle, and Native Sons had little difficulty with Kraftile, downing them by the wide margin of 21 to 11. These same teams were scheduled for the second game of their two-out-of-three series last night.

In the A league tourney opener Wednesday, first-place Kleine's romped over third-place Chevrolet's 9 to 4, and second-place Vilela's shut-out fourth-place Westvaco 10 to 0. These four teams will take the field again tonight for the second round of play.

ALVARADO PLANT TO BEGIN BEET PROCESSING AUG. 18

The sugar beet processing season will open on Thursday, August 18, at the Holly Sugar Plant in Alvarado, R. A. Ratekin, plant superintendent announced yesterday.

Mr. Ratekin stated that the plant will operate at capacity for approximately 100 days and estimated that the total tonnage of beets to be processed will be approximately 90 to 100 thousand tons.

LOCAL BEETS LATE

He stated that the plant would employ aout 250 persons and said that although it appeared that there is a sufficient supply of labor available, the employment office at the plant is now open to accept applications.

"We will open up with the beets from the valley areas and then begin processing the local beets about September 1," Ratekin said. "The local beets, as a whole, are not ready but the harvest is expected to get underway between August 25 and September 1."

This season marked the first year that the Alvarado plant did not make two processing "runs." In former years the beets from the southern section of the state were shipped here for processing in the late spring, but the opening of the new Holly plant near Raleigh eliminated the need of the early-season processing here. Ratekin said yesterday that it is probable that the local plant will have but one processing run each year hereafter.

QUALITY HIGHER

As to the quality of the beets, Ratekin said that pre-processing tests have shown that the sugar content is much higher this year than last season but expressed doubt that the local acreage is as large as last year.

"Early indications are for a good acreage yield, but of course it will not be definitely known until the harvest begins," the superintendent said.

NEWARK CLUB TO HOLD WHIST PARTY

The Newark Women's Improvement Club will hold a pillowcase whist in September, it has been announced by Mrs. Joseph Gastelum of Thornton Avenue, who is both president of the club and chairman of the whist party. The date, time and place will be announced later.

HUNTER PAYS $150 FOR ONE BUCK

The old adage relates that the early bird gets the worm, but in the case of James T. Mozzone of San Jose the early bird gets more grief than worms.

Mozzone, anxious to be the first to report getting a deer, took to the hills near Calaveras Dam in the wee hours of the morning and with his trusty rifle was successful in bagging a buck.

The successful hunter made two mistakes—he got his prey on August 4, three days ahead of the opening of the season, and he bagged it under the watchful eye of Fred Rogers, Centerville, Alameda County game warden.

In his appearance before Judge E. A. Quaresma in Niles Justice Court last Friday Mozzone entered a plea of guilty to shooting a deer out of season and paid a fine of $150.

SCENE IN CENTERVILLE

By IRENE MENDONCA

Irene Mendonca

BACK FROM ARIZONA

Mrs. Ralph Boliba and two children, Ralph and Beverly, of Victory Market in Centerville, returned home this week after staying nineteen days in Sunnyslope, Arizona, which is about fifteen miles from Phoenix. Sunnyslope is a very dry desert country surrounded by mountains.

Mrs. Boliba first went there a month or so ago for her health and remained 13 days and after being home a week went back and stayed for more than two weeks. She enjoyed it there very much. Being ill when she left California, after a two day stay at Sunnyslope Mrs. Boliba felt fit as a fiddle and plans to visit there once a year.

VISITORS FROM KING CITY

Mrs. Eade of King City and her granddaughter, Cecelia Eade, are visiting at the home of her sister, Mrs. Christine Hygelund of Oak Street. On Monday they motored to Santa Clara to attend the birthday party of another of Mrs. Eade's granddaughters.

ATTENDS CONFERENCE

District Superintendent J. V. Goold has returned from Claremont College at Claremont, Calif., where he attended a Youth Authority conference. Mrs. Goold accompanied him. Prior to that trip, Mrs. Goold spent a week at the Oakland camp at Groveland, near Yosemite.

VACATION AT SANTA CRUZ

Santa Cruz was the vacation spot for the Clyde Voorhees family and Mrs. Matt Whitfield. They spent a few days there, returning last weekend. Mr. Whitfield and Matt Jr. joined them over the week-end.

P.T.A. MEETING

On August 25 at 8 p.m., directors of the Washington Union High School P.T.A. will meet with the president, Mrs. M. E. Amaral, in the faculty dining room of the school to plan the year's program.

PAIR ON AIR TRIP

O. W. Ebright, manager of the Centerville Airport, and Everett Mendenhall of Niles, employee of the Transocean Airlines of Oakland, left last week on a two weeks air jaunt to Alaska.

FISHING TRIP

Richard Mendonca of Centerville and David Smith of Mountain View started out at 4 a.m. on Saturday morning for Half Moon Bay where they planned to board a fishing boat to go deep sea fishing. However, they were disappointed because reservations must be made two weeks in advance. Fishing off the shore was the only thing left for them to do and quite a few fish were caught.

WEEK-END IN LONG BEACH

The LeRoy Brouns of Mt. Vernon Avenue were week-end guests of Dr. and Mrs. William Holbush of Long Beach. On Saturday they attended the review of state guard units of California and Nevada as guests of the colonel of the post.

Mr. and Mrs. Broun were among the guests attending the Menlo Park Junior College exercises yesterday afternoon and evening. A swimming meet and barbecue were held to entertain the parents of the students.

BIG WEEK

Mr. and Mrs. Seraphine Bettencourt of Thornton Avenue visited with Mr. Bettencourt's brother, Frank Bettencourt of San Jose, who has just returned from a trip to Portugal. Mr. Tony Mello, a dear friend of the Seraphine Bettencourts, returned to his home in Turlock after spending a few days here. Mrs. Minnie Furtado of Patterson is expected to arrive soon for a few days visit also.

NEW CAR

Mr. and Mrs. Clarence Telles of Oak Street are proud owners of a new car.

VISITOR FROM BENICIA

Mrs. Henry A. Brown of Benicia spent three weeks visiting at the home of his uncle, John Brown of Joseph Street. He is leaving this week to spend a week with his son, H. O. Wilbert Brown at Richmond.

NEW DRIVER

Mr. Norbert George of Centerville is now employed at the Cottage bakery, being the new driver on the Centerville route.

SUNDAY PICNICKERS

Mr. and Mrs. Karl Nordvik and sons, Mickey and Billy, enjoyed picnicking Sunday at Linda Vista Park at Mission San Jose. The picnic was an annual P. G. and E. affair.

PRESBYTERIAN ACTIVITIES

The boys and girls of the Junior and Senior High School grades are motoring to the Hayward Presbyterian Church tonight, accompanied by Mr. Howard Steward, where they will join other such groups of Southern Alameda County in a Christian Endeavor rally at 7:30.

All ladies interested in the new group being formed are urged to be present at the meeting to be held at the home of Mrs. Harriet Thornburg on Wednesday, August 17.

NEW DAUGHTER

George Gong of the Centerville Market is the proud father of a 7 pound, 14 ounce baby daughter, named Carol Jean. She was born at the Peralta Hospital to Mrs. Gong on Wednesday, August 3.

WEEK IN LOS ANGELES

The old saying that business and plesaure do not mix has been proven wrong by the Edward Agnas of Thornton Avenue. Mr. Agna, research engineer for James Graham Manufacturing Co. of Newark, had a new model tested and approved by the American Gas Association laboratory at Los Angeles. Mr. and Mrs. Edward Agna spent an enjoyable week there.

NEW BUS DRIVER

Ray Brandt of Centerville has been employed as a part-time bus driver at the Washington High School, replacing Earl Wallace of Santos Road. The budget as recommended by the administration was accepted.

WELCOME NEIGHBORS

Last week-end found Mr. and Mrs. Bernard Grindl and family moving into a home on Pine Street. An Ashland teacher, Mr. Grindl is now attending school at San Jose. Mrs. Grindl is employed at the local Safeway Store.

KAEHLER'S ENTERTAIN

Mr. and Mrs. Vincent Kaehler entertained at their home in Newark on Friday evening with a buffet supper and bridge. Those present were Mr. and Mrs. Vernon Brown of Thornton Avenue, Centerville, Mr. and Mrs. Lester Mann of Niles and Mr. and Mrs. Francis Cauhape of San Jose.

RECEIVES CAP

St. Mary's Hospital in San Francisco held a capping ceremony on Sunday, August 1. Miss Jerry Hernandez of Centerville was in the class six months and received her cap after having completed six months of training. This makes her a sophomore in the nursing school. A reception followed the ceremony. Jerry is a graduate of the local schools and attended San Jose State for two years where she took her pre-nursing course.

VACATION ENJOYED

The Fred Myers family of Pine Street returned this week from a trip south and middle west.

Their first stop was at Phoenix, Arizona, where they stayed with Mrs. Myers' sister, and then on to Texas to visit with their daughter and family, the Joe Spears, where they spent a week. Oklahoma was the next and final stop where Mrs. Myers' mother, Mrs. Dilldine, welcomed them with open arms. From there they continued their trip home.

Headline of the week in The Register is one to stagger the imagination. Here it is:

CAMPER IN NILES CANYON GIVES AWAY ELEVEN CHILDREN ON SUNDAY

The story goes on to tell a strange tale of a man and his wife, Mr. and Mrs. Harry Bunan, and their eleven children who had been sleeping on the rocks of Niles Canyon Creek. For want of living quarters for such a large family, they gave away their children.

The Register says that "carrying off of the children developed into an almost bargain counter rush, would-be foster mothers, arriving from early morning until later afternoon when the last child had been disposed of, literally grabbing the little one of their choice."

Did that episode happen only 20 years ago—or 2,000 years ago!

IN A MORE DOWN-TO-EARTH vein, Hadad's Department Store in Niles blazoned forth in a one-page advertisement that they were having a closing-out sale.

"AFTER 12 YEARS OF FAITHFUL SERVING THE PUBLIC COMES THIS STARTLING ANNOUNCEMENT — HADAD'S IS CLOSING OUT!"

And here is what some of the township residents were doing:

"M. P. Munger and three of his children returned Saturday from a vacation at Clear Lake.'

"Little David Patterson, son of Mr. and Mrs. W. D. Patterson of Newark, celebrated his birthday with a party Tuesday afternoon."

"Midshipman Allen Shinn is expected home for a month's leave. He has just completed his first cruise, touching Naples, Gibralter, England and other points and attending a Barcelona expedition in Spain."

"Mr. and Mrs. Al Juhl entertained at a dinner dance at Cobble Crest in honor of Miss Ione Cahill, a former teacher in Niles and Miss Katherine Bliss, who is entering St. Mary's training school in August."

IRVINGTON TEAM ROUTS PLEASANTON IN FIVE INNINGS

The Irvington Merchants baseball team routed the Pleasanton outfit Sunday to the tune of 20-4, with the game being called by the losers at the end of the fifth inning.

The Irvington boys wielded seven-league bats against the hapless Pleasanton crew, with every man getting at least one hit. Faria, Chapman and Hastings all clouted the horsehide for three-baggers, and Roderick connected for a two-baser.

Shortstop Chapman lead the squad at the plate, garnering four hits in five trips. Second baseman Berrios got two in three, Left Fielder Faria got four in six tries, Catcher Rivers hit three in six, and both First Baseman Roderick and Third Baseman Fernandez got two in four.

Pitcher Johnny Garcia held the opponents to three scattered hits in 26 times at bat and allowed four runs.

Manager Frank Mayer said the team will play Half Moon Bay this Sunday in the coast town.

Limits of six to ten inch rainbow trout have been taken during the past week along the Rubicon River and the lower reaches of its South Fork in El Dorado County.

STRIPERS LANDED

Several fair sized striped bass have been landed during the past few days along the Napa River and the Carquinez Straits, Solano County.

MONO COUNTY TROUT

Anglers have taken many good catches of trout during the past week from June, Gull, and Silver Lakes in Mono County. They have also taken some big fish from Topaz Lake in the northern section of the county.

KLATAWA NEWS

The last meeting in June marked the official visit of Great Trustee Opal St. Claire, who was accompanied by seven other members of her council in Pittsburg.

The escort team of Klatawa was comprised of Ann Gee, Katherine Eacret, Louise Springer, Jo Gasho, Amelia Heckman, Anita Olsen, Enis Dingacci and Aline Franzen.

Two palefaces, Georgianna Berchem and Zelma Reid, were adopted into the council.

Mrs. Burlia James turned over $24 to the council from selling cards and wrapping paper.

Refreshments were served at the close of the meeting.

Installation of officers took place on July 20, with the following being installed:

Pocahontas, Olive DeSalles; Winonah, Harriet Kaiser; Prophetess, Beth Andrus; Powhatan, Genelle Goularte.

First scout, Louise Springer; second scout, Ennis Dingacci; first runner, Edna Gamba; second runner, Aline Franzen; first councilor, Elizabeth Plummer; second councilor, Emma Davi; first aide, Ada James; second aide, Agnes Johnson; first warrior, Peggy Arioto; second warrior, Kathryn Ecret; third warrior, Jo Gasho; fourth warrior, Ann Gee.

Trustees chosen were Aline Franzen, Pat Marin and Harriet Kaiser.

Selected as guard of the forest was Hannah Owen; and Viola Rose assumes the responsibility of guard of the tepee.

The keeper of records is Margaret Haeley; keeper of the wampum, Anita Olsen; and collector of the wampum, Helen Olsen.

POLIO IN THE TOWNSHIP

The death of a Niles woman of polio this week brings to the attention of Washington Township the fact that we are not as isolated an area as we sometimes believe.

The township escapes, to a certain degree, the turbulence of more populous and metropolitan areas, and also, to a certain degree, it escapes the ravages of many epidemics. Here they appear in milder form and are not so rampant.

That mysterious malady polio, however, is no respecter of persons or places. One never knows where, or when it is going to strike.

For that reason, it would behoove residents of the township to be on guard. There is no reason for panic. A sane attitude toward the disease is to observe certain precautions during the crucial summer months.

By observing these precautions we know that we are doing the one thing that we can do. With the disease shrouded in mystery as it is, there is not much else that we can do.

But we can heed the advice of men of the medical world and health authorities by (1) getting plenty of rest, (2) keeping ourselves and our children away from any crowds, (3) preventing members of our families from getting chills, and (4) calling our physicians as soon as any sickness that might be regarded as symptomatic develops.

If, in spite of these precautions, polio strikes, we at least are comforted in the thought that we have done our best to prevent it.

There is no cause for alarm or anxiety here in the township at present. One swallow does not make a summer. One case of polio does not constitute an epidemic.

MISSION FIGURE, JOHN HAGER, DIES

John Hager, 81, caretaker at the Mission San Jose convent, died Sunday of a heart ailment.

The familiar figure about the Mission was a native of Austria and had been working at the Mission for nearly 20 years.

Services were held at St. Joseph's Church in Mission San Jose at 7 a.m. yesterday, and he was buried in the old Mission Cemetery under the direction of Berge Mortuary, Irvington.

Thinking Things Over . . .

By VIVIAN BATMAN

NO THANKS, FREDDIE

Bob Patterson, erstwhile Examiner gossip reporter better known as Freddie Francisco, sent The Register a sample copy of his column this week, hoping that we would subscribe to it.

We won't.

Mud-slinging pays off for a while. Circulation booms, people get to talking about the paper. But comes the time when you step on the toes of the wrong people. That's why Freddie was booted off the Examiner.

I don't mean to imply that a newspaper should be all milk and honey (you KNOW I don't), but on the other hand, why go out of your way to dig up dirt?

THE MIRACLE EDITION

This issue of The Register will go down in the annals as the MIRACLE edition! What with all the turmoil of moving, we didn't think we'd get it out.

If you think that moving your furniture and possessions from one house to another is an ordeal, just try moving the equipment of a newspaper. The press itself (100 years old incidentally) weighs five tons!

But we made it, and I'm glad we're here, only—I do sort of miss the old cobwebs!

It's when you move that you really appreciate your neighbors. Without the assistance of John Brahmst, the Duffey Brothers, Mr. D. F. Whittridge, George Bonde, Clarence Musgrove, Walter Chrysler, and a few others who let us borrow things, we never would have made it.

If this issue isn't all you think it should be in the way of news, give us a break, will you? Consider the stress under which we got it out.

In order to recuperate, the editor and I are taking a vacation next week . . . the first one since we've had the paper.

So next week the paper will be in the capable hands of Bill Chilcote.

He would appreciate it—and so would we—if you readers will help out in the news-gathering by phoning in your news items.

Thanks! I knew you would.

HEAVENLY TRIP

"Doc" Wilson, the flying dentist, was aloft in his plane over the mountain peaks of the Sierras on a return trip from Reno during that recent electrical storm which is still being discussed in the best weather circles of California.

Lightning, thunder, and hail were buffeting the small craft about, and beads of perspiration were coming out on the brow of the usually calm Wilson, as he maneuvered the plane through the storm.

His wife, a veteran of many flying trips with her husband, in whom she has complete confidence as an aviator, said excitedly, "This is fun, being way up so high! I've never felt closer to heaven."

"Gad!" exclaimed Doc, gripping the wheel, "you've never BEEN closer."

CONSERVATIONIST CALLS HUNTING MISHAPS 'STUPID'

On the even of California's first 1949 deer season opening, the Division of Fish and Game has some good advice to impart to half a million hunters.

It comes from Joseph S. Hunter, chief of the Bureau of Game Conservation. In his 42 years of State Fish and Game service, Hunter has seen many deaths and injuries caused by carelessness with firearms in the field.

Although California led the nation in the number of hunter deaths and accidents during the last two years, the veteran conservationist believes that 90 per cent of such mishaps are preventable. He blamed "sheer stupidity and rank carelessness" for most of the 89 hunting accidents of 1948.

The "10 Commandments of Safety" should be known nd practiced by every nimrod, Hunter believes, if the tragic death toll afield is to be checked. They are:

Treat every gun with the respect due a loaded gun.

Carry only empty guns, taken down or with action open, into your automobile, camp, or home.

Always be sure that the barrel and action are clear of obstructions.

Always carry your gun so that you can control the direction of the muzzle, even if you stumble.

Be sure of your target before you shoot.

Never point a gun at anything you do not want to shoot.

Never leave your gun unattended unless you unload it first.

Never climb a tree or fence with a loaded gun.

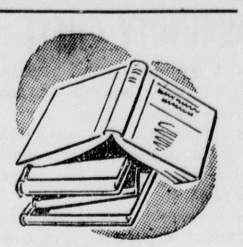
Never shoot at a flat, hard surface or the surface of water.

Do not mix gunpowder with alcohol.

And to the list of 10 do's and don't's, Hunter adds two of his own: Never snap triggers unless certain gun is unloaded; and never lean a gun where it can be knocked down.

Studies of animals show that the more intelligent they are, the more sleep they require.

Even old elephants can quickly trained to obey orders, according to the Encyclopaedia Britannica.



At the LIBRARY

By ELAINE HOWE

Habla usted Espanol? Recently a young man came into the library and asked for something to read in Spanish. Unfortunately I had nothing but a dictionary—not the best leisure reading—I asked him to come back in a few days when I would have something to offer. More unfortunately he never came back, but in the meantime we have assembled a small but varied collection of novels and magazines in Spanish.

Perhaps there are other people in town who like to read in their own language, or even find it difficult to read for pleasure in English. If Spanish comes easier to you than English, come and see what we have.

For instance we all know how convenient and readable is the Readers Digest. It has been translated into at least ten different languages as well as Braille and talking books. We have several 1948 issues of the Spanish edition.

Good modern novels include Hemmingway's "To Have and Have Not," Steinbeck's "Of Mice and Men," and Werfel's "Song of Bernadette." Cornelia Skinner and Emily Kimbrough's "Our Hearts Were Young and Gay" turns up as best my dictionary tells me, "Escapado de Amor"—or "Escape from Love." Classics anyone might enjoy are Dumas' "Three Musketeers," "Robinson Crusoe" by Defore, and Wallace's "Ben Hur." There are even a couple of mystery stories by J. S. Fletcher and Gaston Leroux and several light love stories by Faith Baldwin and M. Delly.

These are all in Spanish and constitute the library's entire collection. However I shall welcome requests for books in other languages if anyone will speak up. Our state library, ever helpful to the little libraries throughout the state, is always willing to loan us books in almost any language.

2 NEW BUSINESSES OPENED IN NILES

Two new business houses, a feed store and a plumbing and second-hand furniture and appliance store, opened on East Main Street in Niles this week. C. A. Musgrove and son, John, are the owners of the new plumbing shop and second-hand store and Trinidad Perez and sons, Albert and Salvador, are the proprietors of the feed store.

The senior Musgrove has been employed as a plumber with Frick's for the past six years and his daughter, Mrs. Ada Duarte, who has been a bookkeeper at Frick's for the past two years, will operate the store. John Musgrove has operated his tire shop on East First Street since 1946 and last year took over the Shell service station. The new store will stock unfinished furniture, used home appliances and furniture and new and used plumbing fixtures.

Mr. Perez, Niles grocer for the past 11 years, has opened the feed store adjacent to his new grocery store. It will be operated by his son, Albert, who graduated in January from Modesto Junior College.

Albert has announced that the store will handle a complete line of feed and some farm utility items and will be open from 8 a.m. until 6 p.m. daily.

LOCAL VINTERS TO SAMPLE WINE

Among Alameda County vintners to be honored at the California State Fair September 6 will be Mrs. Ann Mayock and Rudolph Weibel of Mission San Jose.

Mrs. Mayock and Weibel will be part of a conference that will compare outstanding vintages at the fair.

Following the annual tasting and sampling of prize winning vintages, the vintners will attend a luncheon in Governor's Hall, according to Supervisor Chester Stanley.

Your household chores done for a penny apiece!

A penny for electricity... it runs the refrigerator for 16 hours, vacuums 6 room-sized rugs, scrubs dirt out of 2 tubs of clothes, or brings you 5 of your favorite radio programs. All *you* have to do to put it to work for you is flip a switch.

Best budget buy—Official figures show that of your average dollar, you spend about 44 cents on food and clothes; around 19 cents on rent and furnishings; 36 cents for miscellaneous; but only 8/10 of a cent for the electricity to run your whole house!*

Back of your wall switch—To bring you power takes over 17,000 people, 72 generating plants, 49,900 miles of power lines, a payroll of over $62,000,000 a year. More than a million customers are served with electricity by P. G. and E.

For the record

We're never finished building in this business. To stay ahead of California's growth, P. G. and E. will have facilities of some 4,000,000 horsepower available in 1951, nearly double the prewar capacity.

Next Sunday is a big day for Jeanne Determann

Sunday evening, a little after 8:30 o'clock, the announcer on the Standard Hour will say . . . "Now, a young artist we believe has a great future in music will entertain you—Jeanne Determann, soprano from Los Angeles."

And Jeanne, who works as a secretary, will sing for the first time with a great symphony orchestra...for an audience of nearly a million people.

We don't know what this chance will mean to Jeanne, but similar Sunday evenings have been very important in the careers of many singers and musicians—Claramae Turner, contralto, and Jerome Hines, basso, both with the Metropolitan Opera Company, Dorothy Warenskjold, soprano with the San Francisco Opera Association, Paulena Carter, concert pianist, and others.

For it is our policy on the oldest of all symphony network broadcasts to help talented young people whenever possible . . . so that, from time to time, the hour that's yours can also be theirs.

GRAVESTOCK HEADS COMMUNITY CHEST

Warren Gravestock, vice-principal of Washington Union High School was elected president of the Washington Township Community Chest at a meeting of directors held last Thursday evening in the courtroom at Centerville. He succeeds E. E. Enos of Niles.

Other officers of the organization were re-elected as follows: Judge Allen G. Norris, vice-president; Mrs. Carmelita Berge Freitas, secretary, and Carl Christensen, treasurer.

The next meeting of the group will be held at the Centerville courtroom on August 24 at which time directors will be elected.

All organizations desiring to participate in the campaign this year have been asked to have a representative present at this meeting to present their budgets and request for funds.

Gravestock said this week that a campaign manager for this year's fund-raising drive has not as yet been selected.

"We are hopeful that all local organizations dependent upon contributions for support will submit their budgets to the Community Chest this year and thus eliminate additional drives later in the year," Gravestock said.

Because it was losing $376,200 daily on railroad operations, the fovernment of Argentina has contemplated tearing up 40 per cent of the trackage and replacing it with highways.

FRIENDS SURPRISE MOM WITH PARTY

Over 300 friends surprised Mrs. Hazel "Mom" White, of the Rollerhaven, Saturday evening with a birthday party.

Mr. Price, Hayward, arranged for the gift of a beautiful coat for "Mom" through the popular subscription of her friends. Nearly 125 people signed the gift card, while others gave her a "whole box full" of presents.

"Pop" White said she was really surprised by the affair and that the rink was "chuck full" of well-wishers. Both she and "Pop" wish to thank their many friends for the party.

PEDESTRIAN HIT BY CASTRO TRUCK

Joe M. Castro, owner of the Castro Dairy, was not cited Wednesday morning after a truck he was driving struck George Bach, 87, at the Niles Highway and Sycamore street intersection.

Bach suffered a compound fracture of the left leg as, officers said, he stepped in front of the truck.

FORMER VISALIA RESIDENTS AT ANNUAL PICNIC

Former Visalia residents now living in the Bay Area held their annual picnic in the Oakland Regional Park last Sunday.

Among the more than 75 present at the affair were Mr. and Mrs. William Chivers of Niles.

Any ex-Visalians living in this area who would like to be a member of the group may get further information from Mr. Chivers.

New Residents For Niles

Mr. and Mrs. Jack Lee and their two-year-old son, Gregory, have moved into their new home on Jones Way in Ellsworth Orchard Park, Niles.

Mr. Lee, a Marine Corps veteran and recent graduate from U. C., has accepted a position as teacher and coach at the Decoto Elementary School. The couple formerly lived in El Cerrito.

The pig was used as a scavenger before it was used as food.

HINTS FOR HOMEMAKERS

TAKE THE ROASTER ON YOUR PICNIC

by the HOMEMAKING SPECIALISTS of the *General Electric Consumers Institute*

How about a hot meal from the electric roaster on your next family picnic?

Believe it or not, it's a perfectly feasible idea. You don't even have to look around for a picnic ground with convenient electric outlets and alternating current. All the cooking is done before you leave home, the roaster is wrapped in a blanket and one hour later you can serve the family a tempting hot meal.

Neatest trick of the whole affair is popping the dinner rolls into the roaster and letting the heat retained warm them for you so that they're piping hot when served.

Homemaking specialists of the General Electric Consumers Institute suggest the following menu for a roaster picnic:

Scalloped Tuna and Chips

Tested in the G-E Consumers Institute

- ¼ cup shortening
- ¼ cup all-purpose flour
- 1 tsp. salt
- ⅛ tsp. pepper
- 2 cups milk (or liquid from 4 oz. can of mushrooms, and milk to make 2 cups
- 2 tbsp. grated onion
- 3 tbsp. chopped parsley
- 7 oz. pkg. potato chips, finely crushed (2½ cups)
- 2 7 oz. cans tunafish drained and flaked (2 cups)
- 1 4 oz. can mushrooms, drained (⅓ cup)

Melt shortening in saucepan, add flour, salt and pepper, blend well. Add milk, stirring constantly and continue stirring while cooking until thickened. Remove from unit. Add onion and 1 tbsp. parsley. Mix well.

Place 1 cup potato chips in greased large roaster baking dish. Cover with layer of tuna fish, mushrooms (reserving a few slices for the top) and sauce; repeat. Place remaining potato chips in 1-inch border around casserole; place the remaining parsley in a ½-inch wide strip inside the chips and a few slices of mushrooms in center of top.

Place in roaster on wire lifting rack. Bake at 350° F. for 1 hour. Makes 6 servings.

Buttered Carrots

Tested in the G-E Consumers Institute

- 4½ cups sliced raw carrots (½-inch thick)
- ½ cup water
- 1 tsp. salt
- 2 tbsp. butter or margarine

Place carrots, water and salt in greased small roaster dish. Dot with butter. Cover; place in roaster on wire lifting rack. Bake at 350° F. for 1 hour. Makes 6 servings.

Family Spice Cake

Tested in the G-E Consumers Institute

- ¾ cup shortening
- 1¾ cups sugar
- 3 eggs, unbeaten
- 3 cups sifted cake flour
- 3 tsp. cinnamon
- 1½ tsp. allspice
- 1½ tsp. nutmeg
- ¾ tsp. cloves
- 3½ tsp. baking powder
- 1 tsp. salt
- 1 cup milk
- 1 tsp. vanilla extract

Preheat roaster to 350° F. Place shortening in large mixing bowl and cream. Add sugar gradually, beating well until light. Add eggs; beat well until mixture is completely blended.

Sift together flour, spices, baking powder and salt. Add flour mixture alternately to first mixture with milk and vanilla. Beat thoroughly after each addition and continue to beat at end (about 1 minute) until mixture is thoroughly blended.

Place batter in greased 13 x 9 x 2-inch baking pan. Place pan in roaster on supplementary baking shelf (in lower shelf position) on wire lifting rack. Bake with vents on cover open for 40-50 minutes. Cool 5-10 minutes before removing from pan.

Coffee Raisin Frosting

Tested in the G-E Consumers Institute

- 3 tbsp. butter or margarine
- 2 cups sifted confectioner's sugar
- ¼ tsp. salt
- 3 tbsp. hot coffee
- ¼ cup chopped raisins

Place butter in small mixing bowl and cream. Add ½ cup sugar and salt, beat until smooth and well blended. Add coffee and blend. Add remaining sugar and beat until frosting is a good spreading consistency. (More coffee may be needed).

Add raisins and beat only until raisins are mixed evenly. Makes enough frosting for 13 x 9 x 2-inch cake or tops of two 8-inch cake layers.

NATIVE DAUGHTERS INSTALL OFFICERS

Members of Laura Loma Parlor No. 182, Native Daughters of the Golden West, held a short business meeting Tuesday evening at Boliba Hall, Niles, after which installation ceremonies were conducted under the direction of Maxine Clements, Fruitvale, deputy grand president, for newly elected officers.

Among the officers installed were: Dorothea Rose, president; Ethel Miner, first vice-president; Ivy Cull, recording secretary; Patricia Rose, financial secretary; Mary Bernard, treasurer; Ruth Meck, Mary Fields and Mae Moore, trustees; Velma Zimmerman, marshal; Erleene Zimmerman, outside sentinel; Fleecie Gomes, inside sentinel.

May Rose, retiring president, was seated as past president, taking the place of Irene Bales, who held the post for the past year.

Nora Rogers, Leotine Rose and Marguerite Crane, who were unable to be present, will be installed at a later date.

Guests from parlors at Hayward, Fruitvale, Centerville and Livermore attended the installation, as well as Lauretta Berry, newly appointed deputy grand president to Laura Loma Parlor.

The hall was decorated under the direction of Fleecie Gomes. The next meeting will be held Tuesday evening, August 16.

Gilbert De Borba Will Wed Walnut Creek Girl

Gilbert de Borba, son of Dr. and Mrs. F. J. De Borba of Centerville, will claim as his bride on September 4, Miss Beryl Byron of Walnut Creek.

The couple will be married in the Catholic Church in Orinda, with a reception following at El Nido Rancho in Orinda.

Gilbert attended Washington Union High School for three years, and completed his high school education at Bellarmine. He has since been attending Santa Clara University, majoring in law. He has two years before he finishes there, so the couple will make their home in Santa Clara.

Will Return for Summer Session

The Misses Winifred Rogers of Centerville and Dorothy Shanks of Irvington are spending the week at Santa Cruz vacationing. They will return next week to attend a three weeks summer session at San Jose State College.

Wedding Bells for Warm Springs Couple

Wedding bells will ring on September 3 for Josephine Wagner, daughter of Mr. and Mrs. J. F. Wagner of Warm Springs, and Leonard Gonsalves, also of Warm Springs.

The couple will be married at the Catholic Church in Mission San Jose, and will make their home in Warm Springs.

Mr. Gonsalves has lived in Warm Springs all of his life. His fiancee came there with her family three years ago.

Barbecue Launches Deer Season

Renewing an old family tradition of opening the deer season midst much festivity, Mr. and Mrs. Howard Overacker of Mission San Jose last Sunday entertained 30 guests at a barbecue.

Two members of the party, Mr. T. H. Elliott and Mr. Alwin Searles, added their bit to making the affair a success by each bringing in one of the elusive deer.

P.T.A. President Is Grandmother

Mrs. W. M. James, last year's Washington High P.T.A. president, is receiving congratulations upon becoming a grandmother for the first time. Her grandson, Roger Edward, was born on July 30. His parents, Mr. and Mrs. Robert James, live in San Marino.

Mrs. Richards' other son, Richard, will celebrate his twentieth birthday on August 25 in Alaska. He is a corporal, stationed in Alaska since April, and will probably be there for another year. He is with the 774th Air Force Band.

Quaresmas at Wilsonian Dinner

Judge and Mrs. E. A. Quaresma were among the invited guests at the dinner given last Wednesday at the Hotel Leamington in commemoration of the birthday of Woodrow Wilson.

Jimmy Roosevelt was the speaker for the affair, which was attended by prominent citizens from all over the bay area.

Diner Party at Newark Home

The James Robertsons of Newark hosted a small dinner party last week. Those invited were the Kenneth Bergs, Mr. and Mrs. Fred Kirkish, and the John Scarletts.

At Clear Lake

Joseph Alexander Jr., 14-year-old son of Mr. and Mrs. Joe Alexander of Centerville, is having a wonderful time vacationing at Clear Lake with friends, in spite of the fact that he says he "misses home."

A Barbecue Party at Postmaster's Home

Mr. and Mrs. Ed Enos of Niles were hosts last Saturday night at a barbecue party for members of the Niles post office staff.

Included were Mr. and Mrs. Clifford White, Mr. and Mrs. George Burr, Mr. and Mrs. Bill Tyson, Tillie Janeiro and her mother, Mrs. Janeiro, George Dondero, Mr. and Mrs. Robert Wright, and Miss Emily Enos.

Attend Wedding In Fresno

Motoring down to Fresno last Saturday to attend the wedding of a former school chum was Frank Scamman of Irvington and his bride of a few weeks.

The wedding united in marriage Hugh Davis, formerly of Irvington, and Marilyn Jesse, at a lovely garden ceremony on Saturday evening.

With the young Scammans were his parents, Mr. and Mrs. George Scamman, who were also guests at the wedding.

Proutys in Pinecrest

The Jack Prouty family, vacationing in Pinecrest for the past month, plan to stay another two weeks before returning to their home on the Niles-Mission Road. Jack makes occasional trips home to check up on things, but hurries back to the invigorating mountain air at Pinecrest.

Here for Visit

Mrs. J. H. Chilcote, St. Joseph, Missouri, arrived Tuesday evening for a week's visit at the home of her son, Mr. and Mrs. William Chilcote at 508 Union Street, Irvington.

Interesting Visitor At Kirkbride Home

Dr. O. G. Herbrecht of Phoenix, Arizona, was a guest this week at the home of the Rev. Donald Kirkbride. In the ministry himself, Dr. Herbrecht also has a wife who is in the ministry.

For the purpose of having a few of their friends meet the distinguished man, the Kirkbrides gave a tea in his honor last Tuesday afternoon.

Dining at 'The Villa'

A group of localites dined at the Villa de la Paix in Oakland last Saturday night as guests of Mr.. "Mac" McQuigan of Piedmont. Included were Mr. and Mrs. William Maffey of Oakland, formerly of the township, Mr. and Mrs. Clyde Hewitt of Newark, Dr. and Mrs. Stanley McMillan of Centerville, and Miss Elaine Howe of Niles.

At Gray Eagle Lodge

Mr. and Mrs. Roland Bendel are spending this week at Gray Eagle Lodge at the Feather River. Next week they will complete their vacation by going to her sister's cabin at Pinecrest. In the meantime their daughter and son-in-law, Mr. and Mrs. Frank Lombardi, are keeping the "home fires burning" at the Bendel home on Nursery Road.

Visiting Near Tahoe

Mrs. Bain Leask of Niles left last Monday for a visit with friends near Tahoe. She expects to make a 10-day jaunt of it.

On Vacation

A. E. Rogers of Centerville left last Saturday for Richardson Springs where he will spend a 10-day vacation.

Third Birthday

Robbie Buehler, youngest son of Dr. and Mrs. Llye Buehler of Niles, celebrated his third birthday recently by having a party at his home for a few of his young friends, including his cousin, Rod Buehler, Ann and John Howe of Irvington, and Scott Fletcher of Gilroy.

Busy Hostess

Mrs. Joe Champion of Niles has been a very busy hostess. Last week her sister, Mrs. P. A. Rowe of San Francisco was a guest at her home, and this week her daughter and family, Mr. and Mrs. W. H. Bruns, were here with their two children. They returned Thursday to their home in San Rafael, having been here since Sunday.

Jollys to Move From Newark

Mr. and Mrs. "Dick" Jolly of Newark have bought a home on Dutton Street in San Leandro, and will be moving in about a month.

Mr. Jolly has taken a position as manager of George's Drug Store in that city.

At Harbin's

Mrs. Flora Conner of Niles will leave today for a ten-day vacation at that popular Lake County resort, Harbin's Springs.

In San Luis

Mr. and Mrs. George Azevedo of Emerson Street, Centerville, left Sunday for a week's visit with his aunt in San Luis Obispo.

MILDRED ROSE AND JOAQUIN NAHARRO EXCHANGE VOWS AT HOLY GHOST CHURCH

Holy Ghost Church in Centerville was the setting for the Sunday afternoon wedding of Mildred Rose, daughter of Mr. and Mrs. Lawrence Rose of Niles, and Joaquin Naharro, son of Mrs. Julia Naharro of Alvarado.

Mildred, who walked to the altar with her father, wore a white marquisette gown, styled with long sleeves and train, with high neckline. Her floor-length skirt was hemmed in a ruffle that swept back to the yard-long train. A bouquet of roses and a white orchid completed her costume. On her hair she wore a crown of orange blossoms that held a finger-tip illusion veil in place.

Elsie Horat, maid of honor, wore a lilac-colored marquisette frock, with matching hat, and carried a bouquet of yellow roses and white daisies, tied with green streamers.

The bridesmaids — Geraldine Rose (the bride's sister), Marilyn LeCount, Sally Cardova and Laverne Harvey—wore green marquisette, carrying bouquets of yellow roses with lilac streamers.

The two flowergirls, Marie Boscarillo and Carolyn Salido, were in white marquisette, and carried baskets of roses. Victor Sanchez was the ring-bearer.

Doing best man honors was Frank Cardova, and showing the guests to their seats were Lawrence Rose (brother of the bride), Joe Sanchez, David Priego and Ralph Viesta.

Velma Lewis was organist, and Gertrude Mozzetti, the soloist.

For her daughter's wedding, Mrs. Rose donned a beige ensemble, with cocoa hat and brown accessories. She wore a gardenia corsage.

Mrs. Naharro, the bridegroom's mother, chose a black ensemble, and also had a gardenia corsage.

Following the ceremony a reception and wedding supper was held at the Parish house, after which the newlyweds left for a honeymoon at Yosemite. They have returned to make their home in Alvarado.

The benedict, a Seaman Second Class with the Navy, is stationed in Oakland and had to report for duty at the end of this week. He is a graduate of Washington High.

The new Mrs. Naharro has been a student at Washington High, where she just completed her junior year.

Buy Home in Castro Valley

Mr. and Mrs. Tom Champion will soon forsake the environs of Niles for Castro Valley. They have just bought a brand new home in that fast-growing community and will move there with their baby daughter. Mr. Champion is employed with the Central Valley Project at Tracy.

In the Northwest

Mr. and Mrs. Nicholas Berchem of Niles returned last week from a very pleasant two weeks visit in their former home town, Butte, Montana. They also visited in Seattle.

DAY BY DAY IN DECOTO

By GRACE CAMINADA

A COMPLIMENT

My compliments to Lois Bottenberg, who writes the news for Mission San Jose, on her article last week for the dear old lady that recently passed away. I couldn't help but be overwhelmed when I read the article even though I didn't know that lady, Miss Abbie.

A LITTLE KINDNESS

Yes, in this modern world of today there are a few gestures that would so be called "old-fashioned!" I was asked last week by two young gentlemen, in their early twenties, for a bouquet of lovely zinnias growing in my garden to take to a girl who is in bed seriously ill. I gave a bouquet to each and as I saw them walk up the road I knew those flowers brought cheer and it did me good to see two young men, full of activity, take time out to visit one so ill. The boys' names? Well, I think it would be a bit embarrassing, but well done fellows. Hope there were a few more like you two.

SIXTH BIRTHDAY

"Chick" Scorpiniti celebrated his sixth birthday last Wednesday, August 3. On hand to help Chuck celebrate were Mr. and Mrs. Lazzarino and family of San Jose, Mrs. R. Caminada and children, and Mr. and Mrs. Frank Scorpiniti and Frankie. After the usual birthday feast, Chuck opened his birthday gifts.

SUNDAY BARBECUE

Mrs. Louisa, Bessie and Frank Borghi attended a birthday party of about 30 guests in Santa Clara on Sunday, August 7, for Daisy Borghi, daughter of Mr. and Mrs. Franzo Borghi. Guests enjoyed a barbecue dinner together with a swim in the Borghi's new pool. Daisy celebrated her seventeenth birthday.

A TRIP TO SPAIN

Mrs. I. Paniagua and daughter, Mary, of 14th Street, are preparing for the trip they expect to take on August 21. The two will leave on the streamliner to New York and then take a plane to Madrid, Spain. They expect to be gone for several months. Mr. and Mrs. Carboda, formerly of Alvarado but now of Oakland, will accompany the Paniaguas.

ALSO TO SPAIN

Another local resident, Mrs. G. Paniagua, said farewell to her dad, Mr. Plaza of Sunnyvale, who also left for a visit in Spain.

DOUBLE FUN

Last Wednesday, August 3, marked a double birthday celebration for Manuel Seoane, who was eight years old, and his sister, Annette, who was five years old. Mrs. Seoane was quite surprised when guests arrived and she found her children had invited many more of their playmates than she had anticipated. But all enjoyed themselves on ice cream and cake. Games were played and pictures were taken of the party.

Those who came were: Gale Seoane, Karen Hernandez, Richard and Janet Seoane, Vera Martinez, Eliena Jackson, Anita Jackson, David Jackson and the guest of honor.

BRIDAL SHOWER

Another bridal shower was given to Connie Gonzales of Hayward, who will become the bride of Melvin Dias, also of Hayward, in Reno on August 13. The shower, a miscellaneous one, was given by her mother, Mrs. Dolores Gonzales.

Those who attended were: Mrs. D. Martinez and Mrs. Joe Gonzales of Decoto, Carrie Mattos, Mrs. Emily Azevedo, Constance Gonzales, Catherine Gonzales, Mrs. Theresa Quakma, Mrs. Josephine Lopez, Mrs. Bessie Chamorro, Mrs. Chris Miller, all of Hayward; Mrs. Jean de Silva of Castro Valley, Mary Gonzales and Mrs. Gloria Uriz of San Francisco.

BACK TO DAYTON

Harvey Hernandez and buddy, Johnny Inogski, spent a short 4-day visit home before returning to Dayton, Ohio, where they will enter the Dayton University this coming semester. Mr. Inogski, although from Chicago, Ill., made the trip to California with Harvey to visit the latter's family.

NEW OFFICERS

Martha Faria, secretary, and Mamie Perry, trustee, were among the new officers elected in the Betsy Ross Parlor of the Native Daughters in Centerville. The parlor will march on September 9 at San Jose in the celebration of Admission Day.

NICE TRIP

Mr. and Mrs. Walter Avilla enjoyed a wonderful 9-day vacation by motoring through the Redwood Empire to Medford, Oregon, to visit friends. Among all the sights the Avillas visited Crater Lake. Walter took in quite a bit of trout fishing while there.

HUNTING ACCIDENT

Donald Andrade had a misfortunate accident last week-end when he and Norman "Pat" Luna, formerly of Decoto, now of Newark, were carrying a deer that had just been shot. Donald slipped and as he did his hand was pierced by one of the deer's horns. He will be unable to work for a while. Hope your hand heals soon, Don.

NEW CAR

Congratulations to Mr. and Mrs. Jack Faletti who are owners of a new coupe.

BAG A DEER

Mr. George Smith was among the lucky ones to shoot a deer while hunting with his two sons, George and Leonard, last Sunday near Mission Peak.

VISIT IN THE CITY

Mr. and Mrs. Kenneth Garcia and daughters motored to San Francisco to visit with Mr. and Mrs. Sam Levya and family. Sam is a former Decoto boy.

GOOD HUNTING

It seems our Decoto hunters did well so far in this deer hunting season. Gene Luna, Allan Luna and Sam Elizzera were among the early ones out but only Eugene and Sam caught a deer each.

RECOVERING

Sally Zadow, ill for a week or so with some sickness, is recovering nicely. Glad to hear that, Sally.

LIST PROCEDURE TO OBTAIN AID IF POLIO STRIKES

With the increasing spread of polio throughout the state the National Foundation for Infantile Paralysis announced the procedure to be followed in obtaining help should polio strike your family.

At the first sign of illness, call your own doctor. If he suspects polio he will report the case to the local health department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter. If you have no family physician, call your city or county medical society, your Board of Health or the nearest hospital.

If your doctor says it is polio and requires hospitalization the local chapter of the National Foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital—or if your doctor advises the patient can be treated at home—get in touch with your chapter of the National Foundation to arrange for any needed assistance.

Most chapters are listed in the telephone book under N for National Foundation, I for Infantile Paralysis and the letter starting the name of the county you live in. If you can't find it, check with your doctor, hospital or health department.

Your chapter will get in touch with you as soon as it learns of the case through your physician, the hospital or the health department. However, late reporting or a heavy hospital load may delay this chapter contact. If you do not hear promptly, telephone or visit your chapter representative. You can ease your own worries sooner by making the approach yourself.

The chapter representative will notify the hospital that it is arranging with you for full or partial payment of expenses for medical care. Adults are as eligible for help as are children. Discuss with your chapter how much of the full bill the chapter will pay.

March of Dimes funds are used to help the medically indigent—but this is not the same as "indigent;" it includes families of moderate income, who cannot meet the high costs of modern care of this expensive disease. The help is a gift—not a loan. While families that can pay are expected to do so, no family is expected to impoverish itself to meet medical expenses for polio.

Even if you can assume full costs for initial hospitalization, it is a good idea to see your chapter. If yours should be a patient who is severely affected—and this cannot be determined in the first few days—you may need help later on. Bills incurred in the weeks before your chapter assumes financial responsibility cannot be paid months afterwards, but the chapter will step in at whatever time you really need help. Have a frank, friendly talk with your chapter representative at the beginning.

Chapters pay for hospitalization, professional services including nursing and physical therapy, transportation to and from hospitals, convalescent centers and clinics, treatment after hospitalization and appliances such as wheel chairs, braces, etc., as needed. There are no hard and fast rules. Each case is decided upon individual medical and financial needs. Assistance is given regardless of age, race, creed or color. More than 110,000 polio patients were directly assisted in full or in part up to the end of 1948.

In addition, your chapter can put you in touch with proper sources for nursing and physical therapy at home, can refer you to rehabilitation and vocational training agencies, will provide literature designed to foster better understanding of infantile paralysis—so you will know what to expect and how to help your polio patient back to a useful life.

These services are made possible by the March of Dimes each January.

These telephone men will soon make a damaged long distance cable carry calls again. Come along and see how.

THEY GET GOING FAST WHEN TROUBLE STRIKES

Telephone repairmen's big job is keeping your calls moving

1. When someone's ditch-digger bites a chunk out of a long distance cable—and it happens now and then—repairmen get on the job fast to fix it. Back at a test center, sensitive instruments located the break and splicers hit the road. Almost simultaneously, many calls were routed through other cities to get them through with as little delay as possible.

2. Service restored...the hundreds of tiny wires have been spliced temporarily and, even as the workmen stow their tools, calls are speeding through the cable. Later it will be permanently spliced without interrupting service. Such fast repairs are possible by planning ahead for emergencies, so trained people can be quickly pulled from other jobs.

3. Keeping service reliable makes your telephone a more valuable servant—just as keeping rates low as possible makes service a bargain today. A local call still costs just a few pennies ...and calls to the East Coast at day station rates only $2.50 plus Federal tax.

DALLAS PAUL ON RADIO BROADCAST

Early morning radio listeners received a shock Saturday when they heard Dallas Paul, Centerville, introduced as a guest on the safety program presented by the California Highway Patrol.

The program, beamed over station KLX, Oakland, between the hours of 8:15 to 8:30 a.m., dealt with Paul, who operates an ambulance out of Centerville, relating a recent accident which resulted in death and serious injury to occupants of two cars.

WARM SPRINGS WOMEN'S CLUB TO MEET AUG. 18

The Warm Springs Women's Club has announced that the next regular meeting will be held Friday, August 18, at 8:30 p.m. at the school building. The group voted to dispense with one of the meetings during the month of August as the harvest season is now at its peak.

At the July 23 meeting a committee to formulate the framework for a constitution for the club was appointed. Mae Avilla was named chairman with Mrs. Margaret Weigle and Misses Sumiko and Keyome Kato serving on her committee.

Hostesses for the meeting were Mrs. Louise Briar and Mrs. Barbara Brennan. Refreshments and exchange of social notes were enjoyed by all present. Further community picnic plans were tabled until the August 18 meeting.

It was announced that with the beginning of school in September the club will reactivate its primary purpose of guidance, aid, and sponsorship of children's activities and welfare.

AUSTRALIANS THINK CENTERVILLE GRAND

AMAZED BY OUR 'MODERN CONVENIENCES'

Alexander Thomas Jones and his wife, Hannah, came all the way from Brisbane, Australia, to visit their son-in-law, Joe Bauhofer, and his wife, Lorna, of Centerville. And now they don't want to go back.

"It's this way," says the sunburned father-in-law, "here it's different. Here you have a different type of people. No classes—you know what I mean?"

Hannah, small and soft-spoken, feels the same way. She thinks the homes here are "simply wonderful—and so many conveniences!"

The whole thing started during the war when Joe met Lorna in Brisbane, where Joe was serving with the Army Quartermaster Corps. They met and became very good friends, Lorna says, so good that Joe visited her every time he came to Australia from the islands on leave.

GOOD FRIENDS

"We weren't engaged, you understand," says blonde Lorna, "just very good friends."

Then the war ended and Lorna thought she would take the trip to America that her parents had always promised. But the fight with red tape was almost overwhelming, and many times she told her mother to "just forget about it."

But she finally did come—a year ago last June. She came to visit Joe and they renewed their friendship. That blossomed into love, and they were married.

FLEW HERE

Then this June Mr. and Mrs. Jones flew up for a six months' vacation with the Centerville couple. And now they want to stay—if they can see their way clear through the red tape.

Jones is a big, sunburned man who was born in Wales and who speaks with a combination of Welsh and Australian. He has lived in Brisbane since 1901 and served on the city council there.

Hannah is a small, soft-spoken woman who wants to live in California—Centerville in particular. She says it's much different here—but pleasantly so.

They both have made friends in Centerville. They feel that one of the main differences between the two countries is that here everybody says hello and is willing to talk to you, because here there are no class differences—everyone is on the same level.

Both Lorna and Joe, who is associated with his father and brother at the Cloverdale Creamery, Centerville, want the two friendly people to stay.

"But who knows," says Hannah. "Oh, all that red tape!"

AUTHORIZATION FOR NEW STREET LIGHTS

Authorization for the installation of seven new street lights for Niles and one for Centerville was given Peter Juhl, manager of the Niles P. G. & E. office, this week by the Alameda County Board of Supervisors.

In a letter to Juhl, Supervisor Chester Stanley stated, "You will please install at your earliest convenience in the town of Niles the following lights—one at extreme end of School Street, one at east end of Second Street, one at corner of E and First Streets, three on Vallejo Street in front of house numbers 515, 669 and 785, and one at the end of L Street."

The letter also instructed the P. G. & E. manager to erect a street light at the extreme end of Church Street in Centerville.

Use of silver for jewelry and kindred purposes is prehistoric.

The Township Register reaches more subscribers than all other local newspapers combined.

ARMY BAND TO PLAY FOR COUNTY EXHIBIT

On Thursday, September 1, the opening day of the California State Fair, music will be played in front of the Alameda County exhibits by the 561st Army Air Force Band. This band, stationed in the city of Alameda, appears through the courtesy of the Alameda Chamber of Commerce and the Alameda County Board of Supervisors.

Aside from offering numbers in front of the Alameda County exhibits in the main agricultural building and the Hall of Flowers, the band is scheduled to play at the Retreat Ceremonies at the Fair on September 1.

John D. Schary, Warrant Officer JG, is band leader and commanding officer of the unit.

BETSY ROSS WILL MARCH IN PARADE

First Washington Township organization to announce participation in Admission Day affairs is Betsy Ross Parlor of Native Daughters of Centerville. Headed by new president, Mrs. Betty Andrade of Mission San Jose, the parlor will march in the September 9 parade at San Jose.

Mrs. Andrade was installed recently to succeed Madeline Calderia. Ceremonies were conducted by the parlor's deputy, Ruth Stiner of Hayward. Mrs. Mamie Perry was in charge of decorations and the refreshments were served under the direction of Mrs. Evelyn Peixotto and Mrs. Evelyn Garcia, both of Irvington.

Other new officers recently installed are as follows: Hortense Cunha, first vice-president; Ann Castro of Alvarado, second vice-president; Aldina Garcia of Mission San Jose, third vice-president; Martha Faria of Decoto, secretary; Edna Azevedo of Centerville, financial secretary; Mary Freitas of Irvington, treasurer; Matilda Enos of Centerville, marshal; Mary Smith of Centerville, inside sentinel; Josephine Chambers of Mission San Jose, outside sentinel; and Rose Furtado of Centerville, Grace Myers of Mission San Jose, and Mamie Perry of Decoto, trustees.

ONE SHOW NIGHTLY

Gordon Morris, manager of the Center Theater, Centerville, warned movie-goers this week that his Friday and Saturday attraction, "Mourning Becomes Electra," would be shown once only each night. Morris stated that he will dispense with the second evening showing as the feature picture runs well over two hours.

The feature will begin at 7:40 p.m. each night.

The present rate of erosion is sufficient to reduce the level of the entire Mississippi river drainage basin (1¼ million square miles) one foot in 6,000 years, according to the Encyclopaedia Britannica.

STATE OF CALIFORNIA
DEPARTMENT OF EMPLOYMENT

FARM LABOR INFORMATION

By L. R. BRADLEY
Manager Hayward Office

A temporary drop in California's seasonal farm employment occured at the end of July. The rapid ripening and harvest of the apricot crop and delayed progress in Gravenstein apples, peaches and pears contributed to this unseasonal decline in farm jobs. The sugar content is low in table grapes and vegetable operations are being held up by crop and marketing conditions.

Meanwhile, farm job seekers continue to increase and there are now considerably more workers available for agricultural jobs than there were a year ago. In most areas, more migrants are coming in than can be used in current activities, which means that most jobs go to the experienced workers preferred by the farmers.

Apricot growers are congratulating themselves on a successful season with prices equal to or better than last year. Labor requirements for the coming pear, prune and peach harvests are uncertain as the price picture continues to look bad.

Vegetable harvest and cultivating operations are continuing with an adequate work force reported in all areas. Carrot weeding in Monterey County is about 80 per cent complete and the carrot harvest is 17 per cent complete. Lettuce operations here are continuing with about 1,200 workers employed in thinning and cutting this crop. The onion harvest is underway and green tomato picking has started. The latest reports on the Monterey sugar beet crop indicates harvesting will start next week. The yield is up to an average of 18.5 to 19 tons per acre with laboratory tests indicating about 15.5 sugar content. An estimated 85 per cent of this crop will be harvested by machine.

Throughout the central and north coast counties, the farm labor supply is adequate. Over 1,400 workers stopped at the Farm Labor Services Pacheco Pass trailer station last week. Of this total, 12½ per cent were from out of the state.

TO CONDUCT A HOSTESS CLASS

"A redesigned way of entertaining for today's living" is the theme of a course to be given this fall on the Washington High School night school program under the direction of Mrs. C. F. Giles of Irvington.

Mrs. Giles, better known, perhaps, as Gladys Cronkhite of radio fame, has lived in Irvington for several years. She is renowned on the west coast as a home economist and radio personality, having been with NBC for several years during the height of her career.

Since that time she has retired from professional life and has made her spacious home in Irvington her chief concern.

At the request of many of the local women, however, she has consented to come back into public life and will conduct the abovementioned class.

Tentative plans call for a meeting to be held at the high school on August 23, to give women of the township the opportunity of expressing their desires concerning the exact type of entertaining they would like discussed.

CERTIFY RAPE CASE TO SUPERIOR COURT

Donald Soto, 19-year-old Niles youth, was certified to superior court to stand trial on a charge of statutory rape following his preliminary hearing in Niles Justice Court last Friday before Judge E. A. Quaresma.

The young husband and father is charged with bringing a 15-year-old Hayward girl to his apartment near Niles on July 20 where they spent the night, along with another teen-age couple.

The girl took the witness stand at the hearing here Friday and, after the court room had been cleared of spectators at the request of the defense counsel, told in detail of the night she spent with Soto.

Under cross-examination the sultry-eyed girl whose appearance belied her age of 15 years, stated that at various times during the night and the following morning she had rejected offers by the defendant to take her home.

The action for which Soto is charged took place on the morning of July 21 after the other couple had departed, according to the girl. The only other witness called to testify was the girl's mother who verified that the girl's age was 15 years.

MOSQUITO HORDE

(Continued from page 1)

that the change could be effective.

PASTURES A PROBLEM

"Extensive irrigation with regrading and checking began on the old Grant Rranch area south of Irvington in July without provision for drains to remove tail water," the engineer stated. "The irrigation promptly produced large hatches of mosquitoes on this land, which is reclaimed salt marsh. Before we were aware of the changes a large hatch got away, and was very annoying to residents of that area. It is expected that this area will be put under good control when adequate drainage can be installed, combined with more reasonable and careful use of irrigation water."

The breeding of mosquitoes in irrigated pasture and alfalfa fields continues to be a major problem, Gray stated.

LOCAL GIRL SCOUTS AT CAMP WASIBO

Several township Girl Scouts gave up the so-called comforts of home this week, and yesterday left on a two weeks' camping trip at Camp Wasibo in the Big Basin.

The girls were driven over to the camp by Mmes. W. E. McElvain, W. F. Lamoreux and George Roeding.

Those who went from Niles were Doris Pine, Elaine Ferreira, Dolly Mottershaw, Diane Roeding, Shirley Springer, Shirley Pine, Helen McElvain and Diane Harter.

From Centerville was Doris Suhnel; and from the Alviso District, Cordelia Mings.

From Newark were Betty Jean Lewis and Connie Emmett.

The Girl Scout program, including the camping activities, is made possible through the Community Chest.
